

For the Body - Marriage

Matthew 19:3-11

Marriage cannot be \_\_\_\_\_ because marriage was \_\_\_\_\_ designed by God.

Marriage treated as a commodity is for self-fulfillment. But marriage is not a commodity. It is a \_\_\_\_\_.

God's Divine Marriage Design. Marriage is...

1. \_\_\_\_\_ → two become one
2. \_\_\_\_\_ → a man and a woman
3. Procreative → possibility of fruitfulness
4. \_\_\_\_\_ → serve sacrificially

Marriages should represent the way \_\_\_\_\_ loves and serves. (Ephesians 5:31-32)

PRAYER POINT: May I love and serve as Christ loves and serves.
